Ich Gehör Nur Mir!

2008.Feb.16 - Oberhausen - Singlecam Proshot - Concert - |2DVD, 6.76G|

Patrick Stanke, Felix Martin, Ethan Freeman, Kristin Hölck, Thomas Hohler, Bettina Meske, Nicole Mühle

Role: Prinze Rudolf

Technically it's a concert version of Elisabeth, but the arrangement is very delicate, and it's very likely the first time Thomas performs this role in public. The interesting thing is, at that time he sings with a soft voice - a very "traditional" Rudolf, totally different from, even the contrast of his later ones. Still, he was regarded as greatest surprise in the whole concert in a review that time.

Quality: B (This video has some of the best fidelity I have ever seen outside of a professional release. The shooting isn't as nice, though. It takes a couple min. for the taper to get settled in, and the camera drifts and ducks often enough to be annoying. When it's on, though, it's an excellent recording of a great production, and the only time the original 1997 version has been performed outside of Vienna.)
